8 A. M. TO 6 P. M.Valuable Gifts to Celebrate
Our Fourth Anniversary

These business birthdays of ours are becoming an institution in Washington. On the first days of each November we make special effort to attract the public's attention to the wonderful values continually offered in our shop. A true idea is given because no change is made from our regular prices, but we increase the amount of value received by the customer by giving some valuable piece of merchandise with the sales on this occasion. STYLE and QUALITY have built our reputation, and a remarkable business success has resulted from quoting the most reasonable prices in the city.

**A \$3.00 Gift With
Suits at \$17.50**

These are suits bearing original price-marks of \$20 and \$22. We expected to sell them at these prices because of advanced costs, but the \$17.50 precedent had been established and our patrons expected a good suit at that price.

Not a particle of value has been sacrificed. The latest styles are here in our usual high standard of quality. You'll find the "pinch-backs," the "belters" and many models of more conservative design.

With each suit we shall give you a choice of any \$3 Hat in our shop, and thereby we can say that the net cost of the

Suit is \$14.50

**A \$3.00 Gift With
Topcoats at \$14.75**

Here is the best-looking Topcoat at its price in Washington. The materials are a shaggy English cloth, very attractive in its dark patterns, cut along the late stylish lines with full, comfortable back; also the "pinch-back" models.

It is unlined and light in weight, but warm and almost impervious to cold or dampness. There's not a suspicion of the raincoat in its looks, making it perfect for the promenade, for wear over evening dress, and a most desirable garment for the motorist.

With these Top Coats we shall give you a choice of any style of our \$3 Hats. Thus the net cost of the

Topcoat is \$11.75

A \$2 Gift With "Steadfast" Shoes

"Steadfast" Shoes for men are too well known to need our assurance of quality. The factory price of \$6 to \$8 is plainly stamped on every pair for your guaranty as to grade. With every pair of "Steadfasts" we shall give a certificate which will be accepted as \$2 in cash for any purchase in our Furnishings Department.

**This makes the actual cost
of "Steadfast" Shoes only \$4 to \$6**

**The style you

IS here—and here BETTER at your price—than elsewhere.

We honestly believe that no shoe house anywhere can surpass the dollar for dollar values—offered in these famous "HAHN SHOE LEADERS FOR MEN."
